What is the Stratford Flexible Service?

The Stratford Flexible Service is a new way to travel around Stratford or make connections to buses and trains to reach other destinations. It is open to the general public and regular fares apply (\$1.50 standard and 75¢ for the disabled and seniors age 65 over). The ZipTrip family of bus passes are also accepted on the service.

How does it work?

If you are traveling between any two designated bus stops, simply go to the stop a few minutes before the bus is scheduled to arrive. If you wish to travel to or from locations other than designated bus stops, just make an advanced arrangement. If you would like to do this, call 877-BUSS (2877) the day before you would like to travel and arrange to be picked up and/or dropped off in any zone shown on the map to your left. Buses may arrive up to ten minutes after scheduled time in order to accommodate request stops.
